

# McHenry County Parkinson's Disease Support Group

---

A new group is forming in Spring Grove, IL! Whether you have never attended a support group before or are looking for one closer to home, consider joining the new McHenry County Group. The focus will be on general support, as well as, the issues related to Young Onset Parkinson's Disease (such as exercise, employment, therapy). This is your chance to connect with other people with PD and be apart of an optimistic, engaged and active community for those living with Parkinson's Disease.

Meetings will be held at

**The first Wednesday of each month at 7:00pm.**
