

Fireworks are ON! July 4, 2020

Richardson Adventure Farm
909 English Prairie Rd, Spring Grove

This year *Richardson Farm* is excited to partner with the *Richmond-Spring Grove Area Rotary Club* to provide a show that is just as big and impressive any seen in Spring Grove in recent years. The event was originally slated for downtown Spring Grove, but Covid-19 forced a cancellation of the Spring Grove fireworks.

The Richardson Farm families feel it is necessary to have a fireworks celebration in Spring Grove, *especially* in these crazy times. The farm has the necessary space and capabilities to provide a spectacular show for thousands of people with appropriate social distancing!

But we need your help! Fireworks are expensive! The show alone is \$22,500! There are related expenses that must be paid for also. Please help with a donation or sponsorship.

Take a look at the enclosed aerial picture of the grounds. There are excellent sight lines on more than 100 acres. There will be an area with a band, food trucks, and highly visible sponsorship display areas for all to see. Bring a banner, sign, product or vehicle to proudly display your support for our community!

Space for your 3' x 10' banner or sign.....\$250

10' x 10' area for product display (pop-up tent allowed).....\$500

Space for a display vehicle.....\$1000

All donor names above \$100 will be displayed on large signage

In addition, the Richardsons will have beer cart, kettle corn cart, and freshly-made donut cart sponsorships available for \$500. Picture your name proudly displayed on the cart as it drives throughout the parking areas.

Since phase 4 social distancing will be in place by July 4th;

- *Cars will be parked facing the fireworks show with at least 6' between and 20' in front of cars.
- *Patrons will be encouraged to stay in, or set up chairs in front of their cars.
- *A band will provide music over a large area.
- *Food trucks will have less than 50 people and food will be taken back to people's own cars.

We all need this celebration to lift our spirits and remind us of what a great country we live in! Please help.

Thank you!

Sincerely,

The Richardson Farm Families
