## The Spring Grove Police Department reminds drivers: Buckle up and drive sober

This Thanksgiving, the Spring Grove Police Department is joining the Illinois State Police and local law enforcement agencies to ensure holiday travelers are buckled up and driving sober. The "Click It or Ticket" and "Drive Sober or Get Pulled Over" enforcement campaign will run from Nov. 22 to Dec. 2.

"Thanksgiving means more vehicles on the road and an increased risk of crashes," said Chief Michael Niedzwiecki. "No matter how long or short your drive, remember to buckle up and ensure that children are correctly secured in a safe seat. By buckling up and planning for a sober ride home, you help everyone enjoy a safe and happy holiday."

The "Click It or Ticket" and "Drive Sober or Get Pulled Over" campaigns emphasize safety education, strong laws and law enforcement's commitment to saving lives.

The goal of this high-visibility effort is to reduce motor vehicle crashes, injuries, and fatalities. Proper seat-belt use is the most effective way to protect vehicle occupants. According to the Illinois Department of Transportation, the statewide seat-belt usage rate stands at 92.4%, indicating that there is still room for improvement.

If you're celebrating with alcohol or other impairing substances, please remember:

- Plan for a sober ride home before you go out.
- Call a taxi or ask a family member to take you home safely.
- Use your favorite rideshare service, such as Uber or Lyft.
- If you see a drunk driver, pull over safely and call 911.
- Ensure everyone in your vehicle wears their seat belt. It is the best defense against an impaired driver.
