SPS Process to Enroll Students in Meals During COVID Quarantining

Who qualifies: Any student who has tested positive for COVID-19 or is home quarantining due to exposure

GRAB-N-GO PICK-UP

LUNCH & BREAKFAST FREE

Process to enroll student: School Nurse must contact Douglas Frazier, interim General Manager, Home Grown Springfield: 413 787-7111 ext. 66105 and provide:

- Student Name & School
- Any known food allergies/accommodations (ex: pork free)
- Anticipated days student will need meals
- Contact information for School Nurse

Who notifies student/their family:
The School Nurse or designated school staff inform student's family of meal service (see provided flyer & map).

Meal Pickup Location:
Rebecca Johnson Elementary School
55 Catherine Street
Springfield, MA

Service Days & Times:
Monday and Thursday 3:45p.m. - 5:45p.m.

MONDAYS: Pick-up Meals for Tuesday, Wednesday, and Thursday
THURSDAYS: Pick-up Meals for Friday and Monday

Meals to be Provided:
BREAKFAST and LUNCH (Meals will meet all DESE and USDA compliance standards) for school days during the duration of absence due to COVID protocols.

Special Instructions For Families:

- When a designated adult, parent or guardian picks up a meal, we will check off the name of the student(s) receiving meal service on the roster. (Meals can only be provided to students registered for meals through the school nurse).
- Students will have access to the same delicious nutritious meals as our in-person learners.
- If a student needs meal accommodations, please speak to your school nurse who will work with our registered dietitian to ensure all students receive healthy delicious meals.
- Any questions should be directed to Douglas Frazier, Home Grown Springfield Interim General Manager: douglas.frazier@sodexo.com or by calling (413) 787-7111 ext. 66105.

Serving our students, fueling our community.
