## Preordering Lunch from FLIK Dining

In order to stay compliant with the CDC, local and state municipalities, lunches for students and staff are now expected to be placed in advance. This new pre-order system will allow our dining services team to assign pick up/delivery location & times to each student which will assure proper social distancing measures are in place. We thank you in advance for your cooperation in assuring students will abide by these guidelines.

Pre-Orders should be placed by Tuesday at 11:00 AM for the entire following week.

Lunch options will begin with Sandwiches and Salads for the first 3 weeks of school, moving to hot lunch options on October 1st once the systems have been vetted and standardized.

Thank you for your patience as we adapt our dining services to be compliant with CDC guidelines. If you have any questions, please contact:
