Jesus asked, “Why do you look at the speck of sawdust in another person’s eye and pay no attention to the stick in your own eye?”

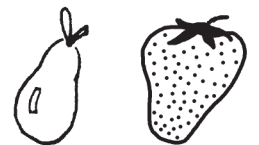

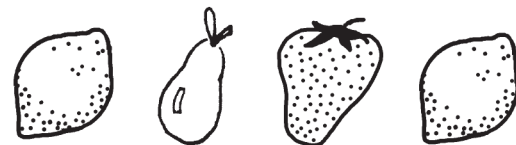

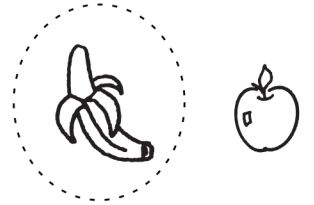

Circle these eyes in the picture.

“First take the stick out of your eye, and then you will see clearly to remove the speck from the other person’s eye.”

“No good tree produces bad fruit, and a bad tree doesn’t produce good fruit,” said Jesus. He said each tree is known for its own fruit.

Circle the picture that completes the pattern in each row.

“People do not pick figs from thornbushes, or grapes from briars,” He said.
