Who should attend?

Natick Parent Connections is for parents/caregivers of children with developmental, learning, social/emotional disabilities and other special education needs.

What does Natick Parent Connections provide?

This group is committed to providing a welcoming space for parents and caregivers to:

- share resources and experiences
- ask questions
- network with other families

as they work to ensure the best possible special education program for their child.

Natick parents/caregivers are welcome to attend whether or not their child has an IEP or 504 through Natick Public Schools.
