

MISSION TRIP TO THE DOMINICAN REPUBLIC

TRIP DATES: May 26 – June 5, 2018

LOCATION: Santo Domingo, Dominican Republic: *Nazarene Seminary Campus*

PROJECT NAME: Center for Missionary Formation

PROJECT COORDINATORS: AJ & Chelsea Fry (*They spoke at our church in September 2016*)

PURPOSE:

Currently, Mesoamerica Genesis missionaries are being trained in a space that is too small to house, train, and equip more than 8 missionaries every year.

The Region dreams of developing and training 40-50 new Nazarene missionaries every year, but the facilities that currently exist are not adequate for this to take place.

The large seminary campus has a lot of untapped potential, which makes it the ideal candidate for the new Mesoamerica Region Center for Missionary Formation.

PROJECT DETAILS:

To create this new training center as well as bring the campus up-to-date, approximately 25 Work and Witness teams are needed.

Each team will bring \$10,000 in project funds in addition to the individual cost of the trip.

Individual projects will include a range of tasks such as (but not limited to):

PAINTING

ROOFING

CONSTRUCTION OF NEW BUILDINGS

LANDSCAPING

ELECTRICAL & PLUMBING

RESURFACING A BASKETBALL COURT
