

Dear Region IX VPPPA Summit attendee,

After very careful consideration and thorough evaluation of all available options, we are happy to announce that the Region IX VPPPA Safety Summit has been postponed to the week of **October 5, 2020**. This decision is in response to safety & health concerns to our attendees, exhibitors & partners related to Coronavirus COVID-19.

The venue (M Resort in Las Vegas, Nevada) and general agenda will remain as planned. As you can imagine, we have much planning to do and will share more as soon as we can.

As a non-profit membership organization, we know how many of you look forward to attending, networking and learning during our annual conference. We are relieved we are able to move our conference as it critical to the future, growth and stability of Region IX VPPPA serving as our primary educational and networking forum for all those involved in VPP. Your current registration will remain in effect and automatically roll over to the new dates. However, if you are unable to attend the rescheduled date, we will gladly offer substitution to transfer your registration to a someone else. As a non-profit organization, refunds can present a hardship, however we do feel it is right to make an exception to our normal policy given the extenuating circumstances. If you require a refund, please send an email to registration@vpppa.org and provide a reason for the **request by April 15** and we will process a refund of your registration.

Refund requests after April 15 will not be honored.

To change your reservations at the M Resort, call (877) 673-7678.

More information to come in the next few months - We look forward to seeing you in Las Vegas in October for another great event!

Natasha Cole | Conference Coordinator
