Transformational Couple's Bible Study on Listening Prayer

TRUTH of LIFE would like to invite you to a weekly transformational Bible study for couples on **Tuesdays from 8:00 pm to 9:00 pm (CST)** via interactive **videoconference**.

We will learn the Biblical basis for Listening Prayer, how it works, pray Scripture and practice Listening Prayer. This Bible study will help you to continue growing in intimacy with our Father God and your spouse as the Holy Spirit teaches you together to listen to the voice of Jesus through prayer, instead of only talking to God when you pray.

You and your spouse will ask God to reveal His Scriptures to you, to lead you to love Him above everything, and to be intimate with Him so you can abide in Jesus and recognize His voice as you practice together listening prayer under the direction of the Holy Spirit. Listening Prayer is all about seeking His will. Listening Prayer is not a method, but a way to experience relationship with God, understand His purpose for your family, and produce fruit that gives Him glory!

Course Description:

This class incorporates a balance of Bible study, theology, prayer, and group participation. Using systematic theology techniques, we will learn the Biblical doctrine for Listening Prayer, how it works, and how to apply the principles in our prayer life. Application of the doctrine will help you build a relationship and grow in intimacy with our Father God as the Holy Spirit teaches you to listen to the voice of Jesus through prayer. You will learn the Biblical basis for hearing from God directly, to know His will in your life and grow closer to Him. Written materials are provided. All the preparatory and follow-up work can be achieved in a few minutes per day.

Course Goals:

1. Increased intimacy and growth in love with God and with your spouse.
2. Examination of prayer and listening prayer principles in the Bible.
3. Practice Listening Prayer individually and as a couple.
4. Experience a fruitful Christian life by obeying God's will.
5. Fellowship with Kingdom marriages.
6. Developing a prayer journal.

Schedule:

The course consists of 11 sessions.

The first session is an Introduction, where we will get to know each other, the format, and material for the course. Sessions 2 through 9 are four two-part teaching sessions that study the Biblical basis for Listening Prayer. In sessions 10 and 11, we will put into practice what we learned, engaging in listening prayer in a group setting.

A detailed schedule with the sessions' Bible verses and meeting dates is provided on the next page.
