Havdallah Rinah Concert with

NAVA TEHILA

Saturday, May 13 – 8PM

Join us for a celebration of joy and spirit at a special Saturday evening concert led by Nava Tehila — a contemporary Israeli musical ensemble rooted in Middle Eastern, Hasidic, and World Music traditions at **Congregation Beth El in Sudbury, MA.**

Similar to Beth El's Shabbat Rinah (Shabbat of Joyous Song) Friday night services, the Havdallah Rinah concert will be participatory, with the attendees encouraged to sing along as their voices and spirits soar.

The music of Nava Tehila, Hebrew for "beautiful praise," encourages inspiration, elation and joy as the prayerful words in their songs helps listeners sense the Divine connection in their hearts and everywhere.

The evening will begin with a short Havdallah service, followed by nearly two hours of uplifting music. Refreshments and desert will be served throughout the evening's festivities.

Tickets are **\$18 at the door**, but are free to Beth El members and to select members of our Honorary Sponsor Congregations.
