**Calling to Worship** Rev. Darcy

**Chalice Lighting** Rev. Darcy

We light this chalice to find inner peace, love for each other, and faith in ourselves. Also, to be welcoming to whomever we meet and kind to all living creatures. So gather around this light of hope as we share this time together.

**Singing** #108 My Life Flows on in Endless Song – Sue Cotter

*1 My life flows on in endless song above earth's lamentation. I hear the real though far-off hymn that hails a new creation. Through all the tumult and the strife I hear the music ringing. It sounds an echo in my soul. How can I keep from singing!*

*2 What though the tempest 'round me roars, I know the truth, it liveth. What though the darkness 'round me close, songs in the night it giveth. No storm can shake my inmost calm while to that rock I'm clinging. Since love prevails in heav'n and earth, how can I keep from singing!*

*3 When tyrants tremble as they hear the bells of freedom ringing, when friends rejoice both far and near, how can I keep from singing! To prison cell and dungeon vile our thoughts to them are winging; when friends by shame are undefiled, how can I keep from singing!*

*1 Love will guide us, peace has tried us, hope inside us will lead the way on the road from greed to giving. Love will guide us through the hard night.*

*2 If you cannot sing like angels, if you cannot speak before thousands, you can give from deep within you. You can change the world with your love.*

*3 Love will guide us, peace has tried us, hope inside us will lead the way on the road from greed to giving. Love will guide us through the hard night*
