

***Transformational Times* Seeks Co-Editors**

We are seeking individuals to assist with the Kern *Transformational Times* newsletter. Although all members of the MCW community are welcome to apply, we are particularly interested in adding student and trainee voices to our team. Persons identifying as members of underrepresented minority groups are strongly encouraged.

Editors have the following responsibilities:

- Conceptualize and frame the newsletter's voice and appearance
- Identify themes for exploration and conversation
- Identify and contact contributors with unique and important perspectives
- Review submissions for clarity and writing style
- Meet virtually each Friday to plan upcoming issues

Editors receive the following benefits:

- A better understanding of the role of the Kern Institute
- An appreciation for the work done by the MCW community
- If the day arrives when we don't have to meet virtually anymore, there might be snacks involved.

Thank you.
