★ We invite you to join us at the National Museum of the U.S. Army at Fort Belvoir for our special in-person B2B networking event for the Architect / Engineering / Construction industry.

On Thursday October 9, 2025, we are gathering together at the Museum for our unique Business-to-Business Event. Join us upstairs in the Veteran's Hall at 1:00 for the beginning of our program. Sign up for a presentation spot and have the chance to showcase your A/E/C Industry firm, capabilities, who you are looking for in teaming partners and what agencies or type of firms you want to increase working with. We also have government agencies participating and letting us know their upcoming opportunities.

For those interested in the museum please come early and take the time to go thru the Museum's exhibits and learn about the history of the US Army. Enjoy a snack or lunch in the Café on your own and then come upstairs by 1:00 to not miss the start!

We will have firm presentations*, breaks for networking and connections with possible team members, and presentations from our government speakers starting at 1:00. Then around 5:00, or when we are finished with the presentations, we will open the bar and hors d'oeuvres table and have a Networking Reception for a chance to catch up with old friends and connect with new people.

*Presentations are for SAME Members only.
