April 13th Brunch Meeting Speaker

Learn about the Grand Jury and why it's important, how they operate and what we need to know. Mandated by California law, the Grand Jury serves as the "voice of the people and the conscience of the community."

AAUW - TO's Jeanette Hosek to discuss Women's Suffrage Centennial

California women won the right to vote in 1911 but it wasn't until 1919 when Congress passed the 19th Amendment (Susan B. Anthony amendment), that American women in all states had the right to vote. 36 states were needed to ratify the amendment and that occurred in August 1920 with the vote of Tennessee.

The historic woman suffrage campaign should be a testament to the importance of all citizens to be active in our democracy. There will be many celebrations throughout the USA, and in the various states celebrating the 100th anniversary. In California, a committee has been formed sponsored by the **National Women's History Alliance** called the CA 2020 Centennial Committee.

Meeting begins at 9:30 am at Boccaccio's Restaurant 32123 Lindero Canyon. Road. Westlake Village.
