### Next Brunch Meeting Healthcare Reform: Where Are We Now?

Hard to believe that it's been nine years since President Barack Obama's 2010 signing of the Patient Protection and Affordable Care Act (PPACA), often revered and reviled as Obamacare, and five years after its provisions were enacted in 2014. Still, the state of healthcare reform is as mysterious as ever.

California Healthcare Conversations President Debbie Madden will discuss the status of Healthcare Reform during DWCCV's **next brunch meeting on Saturday, June 15**. Scheduled from 9:30 to 11:30 AM, the brunch meeting will be held at Boccaccio's Restaurant, 32123 Lindero Canyon Rd. #110, Westlake Village. To RSVP, please click [HERE](#)
