

OUR SERVICES FOR FLINT RIVER PRESBYTERY

The Presbyterian Foundation is ready to help your church and its leadership plan for a vibrant future. Our sacred call is to advise Presbyterian churches, ministries and individuals on matters of stewardship and provide financial services, all in hopes of sharing the love of Christ.

Stewardship Support

God has called us to generously share our resources with our community, our church and our world. Your church can practice faithful stewardship in partnership with the Foundation in the following ways:

Ministry Relations Officer - Your Ministry Relations Officer can coach and consult with your church about annual stewardship, planned giving, and capital campaigns. They also can lead presentations such as *Creating a Culture of Generosity* and *Composing a Legacy*.

Financial Health Assessment - Take our Financial Health Assessment to learn where your church stands financially. assessment.presbyterianfoundation.org

Stewardship Navigator - Check out the Stewardship Navigator, an online portal that offers a narrative budget builder, templates for brochures and many other tools, all at no charge. You can find it at stewardshipnavigator.com.

Online Giving - Sign up for Online Giving. We can set your church up with an account that will allow members of your congregation to give to your church right through your website. You can find everything you need to get started at presbyterianfoundation.org/onlinegiving.

Endowments and Investments

Many churches and ministries are seeking methods of investing that are consistent with their faith and values. We can share best practices for investment policies. We also have a variety of vehicles and platforms to fit every church's need. We can provide investing for you in a fossil free portfolio, and we can offer investments that are consistent with the Mission Responsibility Through Investment guidelines. We offer self-directed investments through the New Covenant Mutual Funds. We can also create custom portfolios to meet your specific needs through a fee-only advisor relationship with the New Covenant Trust Company, which is part of the Foundation.

Project Regeneration

If your church is reaching the point of considering its future, we can help you discern what to do next. Project Regeneration works with congregations that are ready for a new chapter, such as moving, merging or even closing. We can help your church determine the best path, including selling assets, creating an endowment to fund ministries far into the future or other paths you feel called to take. We have extensive experience with churches all over the United States that have taken these steps, and we can help you.

Your Ministry Relations Officer

Robert Hay, Jr. serves as the Ministry Relations Officer for the Southeast. He works with congregations to create a culture of generosity, offers seminars and workshops, develops gifts and fundraising plans for ministries, and provides coaching to finance, stewardship and endowment committees.

You can reach Robert Hay, Jr. at:
