

CHESED invites you

Join us and learn about the innovative

SAIL Center at Anne Arundel Medical Center

(Simulation to Advance Innovation and Learning)

March 18, 2020 from 1:30 to 3:30

Belcher Building, Room 104

- Hear Dr. Gerald R. Moses, Manager of the SAIL Center, describe this cutting-edge program to train medical personnel
- See Simulation in Action with life-like mannequins and laparoscopic instruments
- Try your hand, if you wish, at using these cutting-edge medical instruments

Refreshments to follow at Kol Shalom

Reservation for SAIL visit on March 18, 2020

To reserve your spot for our visit to the SAIL Center, please send the following information to Louise Reiner, louise.reiner@verizon.net or call her at 410-571-9440 by March 13. We will meet at the synagogue at 1:00 pm and carpool to the Belcher Building.

Space is limited. You do need a reservation....
