

The Schools at Kol Shalom plan to collect the following items for recycling over the next four months:

- Textiles: socks, underwear, stained clothing, clothing with holes, hats, coats, stuffed animals, linens, bedding... all clothing must be cleaned and dry and UNUSABLE. This is for RECYCLING textile items whose lifecycle is complete in this form.
- Shoes: all shoes that are beyond donating, that have holes, are broken, or are SINGLE.
- Books: books that are musty and mildewy... books that are broken and loved beyond sharing.
- Film plastic: grocery bags, food storage bags, plastic film that is used for packaging. All items must be clean and dry to qualify.

We are also asking for donations of brown grocery bags to collect these items... If you've got 'em, we will use 'em all!
