

The way we assure that we do not own any Hametz (leavened food products) on Passover, that we may yet wish to use after Passover, is to arrange for the sale of Hametz to a non-Jew prior to the beginning of Passover. I (Rabbi Josh Wohl) will arrange for this sale on behalf of everyone who signs the Hametz Sale Form. If you sign this form, you are not permitted to use any Hametz which may yet be in your home after 11:00 AM on Wednesday, April 5, 2023. I will attempt to repurchase this Hametz on your behalf immediately after Passover concludes on Thursday, April 13, 2023, at 8:22 PM. It is customary to “hire” your agent to sell the Hametz, so it is recommended that at least a minimal contribution (even if only one dollar) be presented to Rabbi Wohl. Checks may be made out to the Rabbi’s Discretionary Fund.
