NEED TO KNOW

- All current instructors are required to attend an RBS Train-the-Trainer Refresher course. You'll receive a facilitator kit which includes:
 - PowerPoints
 - Instructor Guide
 - Student Guide

Register at
www.ndsc.org

- Upon completion of the RBS TTT course, instructors are authorized to train on all three RBS curriculums: Basic Server, Owner/Manager, and Large Event.
- All authorized instructors may schedule trainings in their communities or through law enforcement or local Public Health Units.
- When hired through a third-party organization, an instructor can be either paid or provide the training at no cost. Such arrangements are made directly between the instructor and hiring organization.

NEW REQUIREMENTS:

- As of February 1, 2021, instructors can no longer teach the old curriculum.
- Instructors/Health Units are required to purchase one Student Guide per student taught. Guides are \$10 each and include the wallet certificate. *Guides and wallet certificates cannot be reproduced or reused. Due to grant funding, Student Guides will be provided at NO COST for a limited time. Contact us to order.*
- Replacement wallet certificates can be purchased from the NDSC for \$10 each.
- Electronic registration of all students is required at the start of each course. Students will scan a QR code and enter their contact information.
- All students will be tracked in a database so we can submit student numbers to our grantor.
- Certificates are now valid for 3 years from the date of the class.

To learn more about implementing the NDSC's Responsible Beverage Server Training, contact Kathy at **(701) 751-6105** or kathy@ndsc.org
