

CHRIS' CORNER

MOTHER'S DAY EDITION!!!

Merriam-Websters Dictionary defines mother as:

“A female parent or a woman in authority, maternal tenderness or affection, something that is an extreme or ultimate example of its kind especially in terms of scale”

I would imagine that everyone's definition will differ a bit, but they will all contain some or all of the above. You know my mom, she is a shining example of what a mother should be, and I am very grateful for her. My children's mother is cut of the same cloth, and while she would dispute that, because, how could anyone compare to Betty Huneycutt, she is, and she does a wonderful job keeping our busy lives on track. Thank you Betsy.

WHAT MOMS MEAN TO OUR YOUTH:

My mom is always so accepting and caring. She lets me know how much she loves me each day. She is amazing.

Lelia Wilson

My mom just understands me better than most, I know I can always talk to her about anything.

Will Stadler

“It is what it is...” is my mom’s favorite saying and whenever I need advice, that’s what she tells me and now it is one of my favorites.

Kennedy Joyce

It’s a special bond that spans the years. Through laughter, worry, smiles and tears. A sense of trust that can’t be broken, a depth of love sometimes unspoken. A lifelong friendship built on sharing, hugs and kisses, warmth and caring. Mother and daughter, their hearts as one. A link that can never be undone.

Sarah Hargrove

Mom, you are the best mom anyone could ask for. I know we have our ups and downs, but I will always love you.

Turner Hargrove

My mom helps disabled kids at school. She is very patient and very helpful.

Ethan Rodriguez

She’s there for me when I’m in a bad mood and comforts me and is supportive me in whatever I do.

Clay Thomas

Mom is the wings of our family bumblebee. We shouldn’t be able to fly, and yet we do thanks to her strength, kindness, and love every day of the year.

You're my one and only mom, and I'll always have a special place in my heart for you. Thank you for all the sacrifices you make for me. I'm so proud to be your kid. With love, from your favorite child.

Luke Andress

**Mary Elizabeth
Huneycutt**

I love mom because she is always there for us and is awesome. Also, I love mom because after she gets mad, she just laughs it off.

Graham Huneycutt

My mom is the nicest and most loving person I know, and she has shaped my into who I am today.

Evan Gilgo

My mother is the most caring, selfless, and hardworking person I've ever known. It's such a blessing to have such a wonderful presence in my life as I've grown up and as our relationship has evolved. She is such a wonderful role model in everything she does: she's optimistic, supportive of her family, and always knows how to make people smile. She always knows what's best for me, even if I don't know it at the time. I thank God for giving me such a loving mom, because mothers are so special every day....not just on Mother's Day. As I've grown, I've learned how much mothers do for us on daily basis without us even noticing. I love my mom so much and I hope to be half the woman she is one day.

Claire Piatt

Thank you to moms everywhere, both those still with us and those who have earned their angel wings. We are so grateful for the love that you have shown us and continue to show. Happy Mother's Day.

CHRIS' CORNER MOVING FORWARD

It has been my pleasure coming to you weekly with what's happening with the youth program. This will be my last "regularly scheduled" Chris' Corner until the 2020-2021 youth year starts in the fall.

However, I will still publish CCs periodically and will have one coming in June featuring our Seniors, so make sure to check the emails from Joanna.

Thank you for following Chris' Corner and I pray that we can all see each other very soon.

Stay well and stay safe,
