

Chris' Corner

3/26/20

Good afternoon Front Street. I hope you have all been able to become adjusted to the new lifestyle we are all living in currently. Hopefully with dedicated adherence to what our leaders recommend, we can get through this sooner rather than later.

Reminder about our live services through Facebook. This past Sunday there was a great deal of "traffic" on the site and it disrupted many folks' ability to see it live. Please remember that it is recorded live and can be watched anytime after. I know that we have discussed other options to make sure the service reaches as many as possible.

Obviously, all of our youth activities are on hold for the foreseeable future, and I am truly disappointed. Our beach trip scheduled for May 1-3 has been postponed until the fall, the Chestnut Ridge District Youth event has been canceled, and as of right now our mission trips are still scheduled, but the staff at ASP in Johnson City, TN are in constant review.

I know the Stock Sale fundraiser information went out this week, and I urge you to consider buying shares for whenever we do go. If anything, the needs will be greater when we come out on the other side.

I am attempting to stay in contact with our youth through the various medias in the world today. You can follow as well:

I would like to take an opportunity to congratulate one of our former volunteers and church members and my dear friend and fellow Tar Heel, the good Reverend Marc O'Neil, for receiving his full ordination by the Board of Ordained Ministers this past week. Our very own Marshall Old was able to cast his final vote for Marc. Very, very cool.

Marc currently serves 3 churches in Camden County, NC and is supported by his wonderful wife Heidi, daughter Caroline (10th grade) and son Grey (7th grade). www.camdenumc.org

I leave you with this verse and my overwhelming thanks to all our medical professionals, teachers, and brand new "homeschool" teachers:

"Blessed is the one who preserves under trial, because, having stood the test, that person will receive the crown of life that the Lord has promised to those who love Him."

James 1:12

Thank you and prayers to all. Stay safe, stay clean, stay healthy. Check on each other and remember, we will come through this stronger.
