

Chris' Corner

October 7, 2021

Welcome back to the Corner Front Street friends. This Sunday we had 36 youth and welcomed in some Confirmants as well, glad to have you. Thank you all for being there. Our Feed the Turtles program brought in another \$71 so we have a two week total of \$159.

We have an action packed Sunday on tap and I have a couple reminders.

Charleston Wrap Sale – Homeward Stretch

We are on the homeward stretch with only 9 days left, so fine tune those shopping lists (or just buy it all and keep some for yourself). I will be back at the table on Sunday morning to take orders and money. I appreciate all those who have reached out about donations too, you are greatly appreciated. The sale ends the following Sunday, October 17th so make those decisions!

Pilgrimage – November 12-14

Parents, we are taking signups for Pilgrimage until October 24th, so a few more weeks. This year we are traveling to Rocky Mount for a fun weekend with fellowship and friends. The cost is \$75 per person and this is for 7th graders and up. There are limited spots due to hotel reservations so get your child's name in as soon as possible.

Packathon – Sunday, October 10

We are meeting at Holly Hill Mall, La Cocina entrance, at 3:45 to head over to Feed the Hunger for our packathon. We have to pack 10,800 meals in 2 hours and I know we can do it. If you are an adult at Front Street interested in helping, let me know. We may have some spots available.

Following the packathaon, if anyone wants to join me at La Cocina for some fine Mexican food, feel free. The pick up and drop off both are at the mall.

Upcoming Sundays at Youth

October 17th Regular Gathering 6:00pm – Snack Supper Volunteers are Lisa Hite and Tiffany Pittard

October 24th Regular Gathering 6:00pm – Snack Supper Volunteers are Freebird McKinney and Patrick Henry -

October 31st – NO YOUTH – Enjoy your candy!

Hard to believe that gets us to November. WOW. So far we have had a great turnout and some great conversation. Remember to lift up our youth and their Christian faith formation in your prayers. They are great youth and I am honored to know them and privileged to hang out with them.

Have a great weekend and see you at my table on Sunday!
