DID YOU KNOW.....CONTINUED FROM FRONT PAGE

That is why the discipleship team at Front Street UMC is sharing the summer reading plans. This is an opportunity for you to be guided to read the whole Bible in 90 days. Yes! Really! I know it sounds like a lot, but investing in a relationship sometimes is. And here's the bait and switch: if you really aren't sure about the whole Bible plan you can choose to do the four gospels (in chronological order) in 90 days. And if you have children you can join them in reading the Psalms in 90 days. There are a plethora of options for you to begin this relationship, and I want to encourage you to try. As I mentioned before, there is no ending to your relationship with God. There is no end to the things you will learn from the Bible. There is only the beginning. Get started!

Focusing on the life and ministry of Front Street UMC

May 26, 2022 Volume MMXXII No. 11

DID YOU KNOW...

The Israelites began their time as slaves in Egypt because Joseph (of the coat of many colors) brought them all there during a famine. In the book of Numbers there is a talking donkey. The lineage of Jesus includes a prostitute. There are psalms that include cursing your enemies. Some of Paul's letters include songs that he wrote. Mary the mother of Jesus sings a song that is inspired by Hannah in the Old Testament singing a song about her son Samuel. Elisha cursed a group of children for calling him balled, and two bears came to eat them. Two other people besides Moses parted waters for a group of people to cross on dry land. There is a psalm written as an acrostic so that the beginning of lines goes through the Hebrew alphabet. The book of Acts is short for "Acts of the Apostles."

I wonder, how many of those things did you know? These are just a few things I recall as interesting, yet rarely known facts in the Bible. To be sure, the Bible is something we can read all our lives long and always learn something new. That is why we call it the living word of God. It continues to speak into our lives today, as it has done for people the last few thousand years. You may understand well the power of reading one scripture and understanding one truth, and years later reading the same scripture and learning a brand new truth. But, have you considered how much of scripture there is left to teach you first truths?

Biblical literacy is a waning aspect of many Christian lives today. And that is a sad truth. Scripture was never meant to be something preachers read and then distilled for listeners on Sunday morning. One of the major plots that runs through the whole biblical narrative is God's desire to cut out the middle man and get right into a relationship with you! The Bible is your best tool at accepting that relationship.

GROWING IN CHRIST

SUMMER SUNDAY SCHOOL FOR CHILDREN

JUNE 12-AUGUST 21 @ 9:45 A.M.

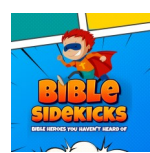

Summer Sunday School for children PreK-5th grade kicks off June 12! We hope to see you there!

WHEN I GROW UP (PreK-K in Room 304)

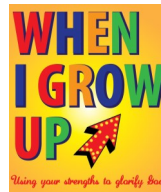

What Do You Want to Be When You Grow Up?

Regardless of what career we pursue, we can use our strengths to serve God—both when we grow up and right now.

BIBLE SIDEKICKS (1st-5th grade in Room 301)

We all know the big heroes of the Bible. But every one of these heroes had friends who supported and helped them along the way. Whether we're called to be out front or behind the scenes, we all have a role to play serving God and others.

SUMMER SUNDAY SCHOOL TEACHERS NEEDED

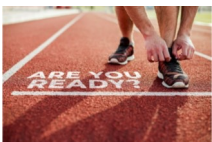

In order to give our regular children's Sunday School teachers a break this summer, we're looking for volunteers to teach one or more Sundays in June, July, or August. Interested? Contact Ms. Melissa (melissa@frontstreetumc.org) for details.

SUMMER READING PLANS

Up for a challenge? We have two summer reading plans available to help you grow in your faith this summer! Read

through the whole Bible in 90 days with *The Whole Bible Marathon*. If you're looking for something a bit less demanding, *The Gospels 5K* is for you! This will guide you through reading the 4 Gospels in

chronological order in 90 days. Pick up a Summer Reading Plan from the Welcome Center or download one from our website. Pastor Stephan will host open Zoom conversations so that participants can share what they have learned and ask questions for more clarity. These gatherings will be on

June 14 and July 12 at 7:00 p.m. Here is some encouragement from Pastor Stephan: "Don't worry about finishing either plan. Just start and see how far God will take you!" Watch this space for details.

A reading plan especially for kids and families is also available: "Scripture Scoops". Each day in the month of June and July, you will read a verse from the book of Psalms. Of course, there will also fun activities to go along with the readings. Interested in participating? Contact Ms. Melissa and she will get you all the materials. Need a Bible, let Ms. Melissa (melissa@frontstreetumc.org) know and she will get you one.
