

CHRIS' CORNER 1/10/19

THIS WEEK AT YOUTH 1/13

Greetings from the corner. We had a great kickoff to 2019 last week with our new lesson Relationships: Family. This week we will dive into the relationships we have with our friends. If family relationships are complicated, friendships are like the Theory of Relativity. We won't solve all the issues, but perhaps we can discuss and learn some ways to navigate those tricky waters. Hope you join us.

MISSION TRIP MEETING 1/27

Write it down, tape it to the fridge, set a reminder on your phone – following the 11:00 service on January 27th, we will have a joint ASP and Hinton mission trip interest meeting in room 404 (old Senior High room) to outline plans and lock in participants. We will have forms there to take home but please know that we will need confirmations that you will attend at that meeting. The dates of BOTH mission trips are June 16th-21st for Hinton and June 16th-22nd for ASP. Cost to youth is \$150 per person. Checks will be due by February 3rd when we stuff envelopes for Stock Sale.

SUNDAY SCHOOL

This week both the Junior and Senior Highs will meet downstairs in the new Senior High Room for breakfast and a “house warming” get together. The stairs are in the hallway behind the organ (between the choir room and the sanctuary), and I will be on the lookout for folks. Come enjoy some donut holes, biscuits and more.

Thank you for your support.
