To Celebrate our 45th Anniversary in 2021, we introduced a new logo that beautifully represents us and a new mission that better reflects who we are and who we serve.

## OUR MISSION

To champion the independence and well-being of aging adults and their care partners by providing comprehensive, personalized care.

"The center is truly a lifeline for my sister. I just can't believe how much going there has meant to her recovery and daily life activities."

## FAMILY CAREGIVER

Circle Center offers 28 daily personalized and curated Montessori based activities to meet our participant's health, wellness, social, emotional and physical needs, and interests.
