**McClendon Should not Misunderstand What Church**  
**Leadership Looks Like**  
**1 Corinthians 3:5-23**

- 1. Though assigned by God, leaders should not be confused with being gods. Vv. 5-7, 10, 21.**
  - We have a clear \_\_\_\_\_ on our lives.
  - We are also clearly \_\_\_\_\_.
  - We have different \_\_\_\_\_.
  
- 2. God expects us to \_\_\_\_\_ His kingdom work. Vv. 8-9.**
  
- 3. Regardless of human leadership, Jesus is to always be the \_\_\_\_\_ of the true church. Vv. 10-11, 16-17.**
  
- 4. The work of the servant leader and Christian is tested. Vv. 12-15.**
  - What is built on the foundation is \_\_\_\_\_.
  - The fire/trials of life test the \_\_\_\_\_ of ministry.
  - If we are tested, then we can expect \_\_\_\_\_ as well.

**Decision time questions to consider:**

- As a church leader, will you join me in committing to lead under God's grace and never use leadership to serve self?
- As a church member will you commit to be the type of Christian that willingly follows God called leaders who are seeking God in their leadership?
- Do leaders or followers need to ask forgiveness for how we have treated the other? Do so soon.
