

## 27th Annual Community Flower Basket Program

For 27 years The Community Flower Basket Program has brightened our downtown streets with dozens of lush hanging baskets filled with vibrantly colored flowers. Every year we receive many comments on how pretty they are and how much beauty and charm they add to the downtown area.

Our welcoming baskets are beautiful to enjoy and they do carry an expense that goes along with having them grace our city streets. Our cost to purchase and maintain each basket for the summer is approximately \$300. We have been very fortunate to enjoy your continued support each year and hope that you will once again join the Seaside Downtown Development Association for the 27th year of showing our pride in our community. We offer multiple contribution levels, including the sale of baskets for your personal use. If you select this option, we'll be notifying you for pick-up day details.

Sponsors will also be listed on the SDDA Newsletter and website as well as social media shout outs. We thank you for showing how much you care about making downtown Seaside a beautiful and vital place to live and visit!

Your basket can be purchased by filling out the form below and either mailing it in or stopping by the SDDA office. Consider also purchasing a warm and welcoming basket for your home or as a neighborly gift by going to our SDDA website and pay with credit card.

Sincerely,

Stephanie Stevenson, Beautification Chairperson
