

August 24, 2022

Each year the Seaside Downtown Development Association and Seaside Kids, Inc. team up to host this successful fundraiser. First 20 teams to sign up will be our 2022 Golf Tournament of fun!

Started over 50 years ago, Seaside Kids, Inc. is dedicated to providing healthy, wholesome activity to the youth of the community. All funds received from businesses, organizations, parents, and interested citizens go directly to programs for your local kids. More than 600 youth participate in baseball, softball, football, and swimming programs, carrying on the tradition of all kids playing for free. All directors, coordinators, coaches and groundskeepers are volunteers.

This is Seaside Kids, Inc largest annual fundraiser event. Please consider sponsoring the Seaside Golf Classic.
