## DUMB MONEY

104 mins | Rated R | Comedy, Drama

Dumb Money is the ultimate David vs. Goliath tale, based on the insane true story of everyday people who flipped the script on Wall Street and got rich by turning GameStop (yes, the mall videogame store) into the world's hottest company. In the middle of everything is regular guy Keith Gill (Paul Dano), who starts it all by sinking his life savings into the stock and posting about it. When his social posts start blowing up, so does his life and the lives of everyone following him. As a stock tip becomes a movement, everyone gets rich -- until the billionaires fight back, and both sides find their worlds turned upside down.

## GOLDA

100 mins | Rated PG-13 | Biography

Golda is a ticking-clock thriller set during the tense 19 days of the Yom Kippur War in 1973. Israeli Prime Minister Golda Meir (Helen Mirren), faced with the potential of Israel's complete destruction, must navigate overwhelming odds, a skeptical cabinet, and a complex relationship with US Secretary of State Henry Kissinger (Liev Schreiber), with millions of lives in the balance. Her tough leadership and compassion would ultimately decide the fate of her nation and leave her with a controversial legacy around the world.

## A HAUNTING IN VENICE

104 mins | Rated PG-13 | Mystery

A Haunting in Venice is set in eerie, post-World War II Venice on All Hallows' Eve and is a terrifying mystery featuring the return of the celebrated sleuth, Hercule Poirot. Now retired and living in self-imposed exile in the world's most glamorous city, Poirot reluctantly attends a séance at a decaying, haunted palazzo. When one of the guests is murdered, the detective is thrust into a sinister world of shadows and secrets.

## LIMITED ENGAGEMENT! SOMM: A COUP OF SALVATION

104 mins | Rated R | Comedy, Drama

The most provocative story in wine today, Cup of Salvation is a sweeping documentary film that dives into wine's complex history, exploring the crossroads of wine, religion, politics, war and family. The award-winning creators of the acclaimed SOMM documentary film series interweave wine's ancient evolution with the incredible, current-day true story of an American winemaker's dangerous journey back to her homeland to resurrect her family's ancestral vines.

From the birthplace of wine in the rugged, war-torn Caucasus Mountains, to an inside-look at Vatican archives, to the forbidden vineyards of the Iranian countryside, Cup of Salvation unearths the origins of our love affair with wine and how it continues to shape the human story.

**Meet the Director, Jason Wise and Co-Producer and cast member, Armen Khatchaturian. They will be available after each screening of the film for a Q&A.**
