## ANOTHER ROUND **Film Class**

In this ensemble dramedy, four high school teachers agree to conduct their classes while inebriated, as part of an experiment to determine whether a steady intake of alcohol throughout the day will improve their job performances.

## THE DRY

Federal Agent Aaron Falk returns to his home town after an absence of over twenty years to attend the funeral of his childhood friend, Luke, who allegedly killed his wife and child before taking his own life. When Falk reluctantly agrees to stay and investigate the crime he suspects two crimes, separated by decades, are connected.

## FISHERMAN'S FRIEND **Film Class**

A fast living, cynical London music executive heads to a remote Cornish village where he's pranked by his boss into trying to sign a group of shanty singing fishermen. Soon he's forced to question what success really means.

## GOD OF THE PIANO **Film Class**

Born into a musical family, Anat becomes a concert pianist yet still fails to meet her father's sky-high expectations. When she gets pregnant, she pins her hopes on her child, focusing her energy on making the boy a prodigy -- despite his deafness.

## HERE TODAY

When veteran comedy writer Charlie Burnz meets New York street singer Emma Payne, they form an unlikely yet hilarious and touching friendship that kicks the generation gap aside and redefines the meaning of love and trust. Written, Directed and starring Billy Crystal and Tiffany Haddish.

## IN THE HEIGHTS

The creator of "Hamilton" and the director of "Crazy Rich Asians" invite you to the event of the summer, where the streets are made of music and little dreams become big. The scent of a cafecito caliente hangs in the air just outside of the 181st Street subway stop, where a kaleidoscope of dreams rallies this vibrant and tight-knit community. *In the Heights* fuses Lin-Manuel Miranda's kinetic music and lyrics with director Jon M. Chu's lively and authentic eye for storytelling to capture a world very much of its place, but universal in its experience.

## THE MAN IN THE HAT

The Man in the Hat journeys through France in a Fiat 500 accompanied by a framed photograph of an unknown woman. He is pursued by five angry men in a Citroën Dyane. Why are they chasing him? And how can he shake them off? France looks beautiful from a Fiat 500 in this picturesque fantasy about a man on the (very slow) run. French with English subtitles.

## RIDERS OF JUSTICE

This dark comedy is full of surprises - if you love the Coen Brothers - see this movie! Markus, who has to go home to his teenage daughter, Mathilde, when his wife dies in a tragic train accident. It seems like an accident until a mathematics geek, who was also a fellow passenger on the train, and his two colleagues show up. Subtitles.
