JURASSIC WORLD: DOMINION

ONLY IN THEATERS

146 mins | PG-13 | Mystery, Thriller

This summer, experience the epic conclusion to the Jurassic era as two generations unite for the first time. *Dominion* takes place four years after *Isla Nublar* has been destroyed. For years, rumors of the "Marsh Girl" haunted Barkley Cove, isolating the sharp and resilient Kya from her community. Drawn to two young men from town, Kya opens herself to a new and startling world; but when one of them is found dead, she is immediately cast by the community as the main suspect.

Film Class with Ian McIver

July Film Class: The Romantic Comedy

Cute, funny or a teensy bit cheesy, rom-coms make us catch feelings in all the best ways. Our obsession with romantic comedies goes beyond both romance and comedy because we love that mix of realism and Hollywood magic. When so much media seems to be about trauma and the failures of society, engaging with a world in which love isn't just a lifeline, but the center of human experience—that is joyful! Because if not for love, then what for?
