## AMSTERDAM

134 min | NR | Mystery

Set in the '30s, it follows three friends who witness a murder, become suspects themselves, and uncover one of the most outrageous plots in American history. A murder mystery with intrigue, espionage and crackling dialogue, the film stars Christian Bale, John David Washington and Margot Robbie as a trio of lifelong friends. The title is where their bond is forged, after the soldiers are sent there to heal from WWI combat injuries, and where she is the nurse who patches them up. The men return home to their lives in Manhattan — Bale a doctor who goes out of his way to help wounded vets, and Washington a lawyer — as their nurse pal vanishes. Trouble ensues.

## SEE HOW THEY RUN

98 mins | Rated TBC | Mystery

In the West End of 1950s London, plans for a movie version of a smash-hit play come to an abrupt halt after a pivotal member of the crew is murdered. When world-weary Inspector Stoppard (Sam Rockwell) and eager rookie Constable Stalker (Saoirse Ronan) take on the case, the two find themselves thrown into a puzzling whodunit within the glamorously sordid theater underground, investigating the mysterious homicide at their own peril.

Masks are encouraged but not required at the Cameo Cinema. Current guidelines recommend you consider the Community Level of COVID-19 and your personal level of risk when deciding on whether or not to wear a mask for indoor events.

## THE WOMAN KING

135 mins | NC-13 | Drama

The Woman King is the remarkable story of the Agojie, the all-female unit of warriors who protected the African Kingdom of Dahomey in the 1800s with skills and a fierceness unlike anything the world has ever seen. Inspired by true events, The Woman King follows the emotionally epic journey of General Nanisca (Oscar®-winner Viola Davis) as she trains the next generation of recruits and readies them for battle against an enemy determined to destroy their way of life. Some things are worth fighting for. It is a remarkable, powerful film, and not to be missed.
