GHOST ELEPHANTS

99 mins | NR | Documentary

National Geographic's Ghost Elephants is beloved for its hauntingly beautiful, poetic quest to find elusive, potentially mythical elephants in Angola's highlands.

EPIC: ELVIS PRESLEY IN CONCERT

135 mins | PG | Drama

EPiC is a movie that absolutely must be seen on the big screen. Everything is put together so beautifully that it feels like Elvis' dream finally comes to life.

PROJECT HAIL MARY

156 mins | PG-13 | Action

Science teacher Ryland Grace (Ryan Gosling) wakes up on a spaceship light years from home with no recollection of who he is or how he got there. As his memory returns, he begins to uncover his mission: solve the riddle of the mysterious substance causing the sun to die out

PEAKY BLINDERS: THE IMMORTAL MAN

113 mins | R | Crime

Birmingham, 1940. Amidst the chaos of WWII, Tommy Shelby is driven back from a self-imposed exile to face his most destructive reckoning yet. With the future of the family and the country at stake, Tommy must face his own demons, and choose whether to confront his legacy, or burn it to the ground.
