## GREASE - DRIVE-IN

Good girl Sandy and greaser Danny fell in love over the summer. When they unexpectedly discover they're now in the same high school, will they be able to rekindle their romance? The plot is as old as time: boy meets girl, boy loses girl by being an idiot in front of his friends, girl gets sewn into a skintight catsuit to win him back, stud. It's easy to see why we are hopelessly devoted to the film's winning formula of gaudy 50s nostalgia, killer songs and unforgettable performances has had such an enduring afterlife. Is story of fast cars, hot rollers and summer lovin' that is now written in the yearbook of summer movie history in permanent marker

## IN THE HEIGHTS

The creator of "Hamilton" and the director of "Crazy Rich Asians" invite you to the event of the summer, where the streets are made of music and little dreams become big. The scent of a cafecito caliente hangs in the air just outside of the 181st Street subway stop, where a kaleidoscope of dreams rallies this vibrant and tight-knit community. *In the Heights* fuses Lin-Manuel Miranda's kinetic music and lyrics with director Jon M. Chu's lively and authentic eye for storytelling to capture a world very much of its place, but universal in its experience

## JAWS - DRIVE-IN

When a gigantic great white shark begins to menace the small island community of Amity, a police chief, a marine scientist and grizzled fisherman set out to stop it. Shot on Martha's Vineyard, the classic 1975 thriller "Jaws" will still make you jump. It is meticulous, well-planned filmmaking. The music alone can grip your insides with dread.

## RITA MORENO: JUST A GIRL WHO DECIDED TO GO FOR IT

Over a 70+ year career, Rita Moreno defied both her humble upbringing and relentless racism to become a celebrated and beloved actor, one of the rare EGOT (Emmy, Grammy, Oscar, Tony) Award Winners of our time. **100% FRESH**

## ROADRUNNER: A FILM ABOUT ANTHONY BOURDAIN

It's not where you go. It's what you leave behind . . . Chef, writer, adventurer, provocateur: Anthony Bourdain lived his life unabashedly. From Academy Award-winning filmmaker Morgan Neville (*20 Feet From Stardom*, *Won't You Be My Neighbor?*), this unflinching look at Bourdain reverberates with his presence, in his own voice and in the way he indelibly impacted the world around him.

## SUMMER OF SOUL

The Harlem Cultural Festival took place the same summer as the famed Woodstock festival, and boasted an attendance on par with that concert 100 miles away. The 40 hours of never-seen-before footage has remained in storage for the past 50 years, keeping this incredible event in America's history lost - until now. It features performances by artists including *Stevie Wonder*, *Sly and The Family Stone*, *Nina Simone*, *B.B. King*, *the Staple Singers*, *the 5th Dimension*, *David Ruffin*, *Mahalia Jackson*, *Ray Barretto* and *Gladys Knight and the Pips*.

## TOP GUN - DRIVE-IN

Two rising but reckless Naval officers - Pete "Maverick" Mitchell and Nick "Goose" Bradshaw - are recruited for Top Gun; an elite US Flying school for advanced fighter pilots. There, the macho classmates engage in a dangerous competition to outdo their rivals and Maverick begins a relationship with a civilian instructor.
