BLACK WIDOW

A film about Natasha Romanoff in her quests between the films Civil War and Infinity War. At birth the Black Widow “aka Natasha Romanova” is given to the KGB, which grooms her to become its ultimate operative. When the U.S.S.R. breaks up, the government tries to kill her as the action moves to present-day New York, where she is a freelance operative.

QUEEN BEES

Independent senior Helen (Academy Award® winner Ellen Burstyn) moves into a nearby retirement community-just temporarily. Once behind the doors of Pine Grove Senior Community, she encounters lusty widows, cutthroat bridge tournaments and a hotbed of bullying “mean girls” the likes of which she hasn’t encountered since high school.

RITA MORENO: JUST A GIRL WHO DECIDED TO GO FOR IT

Over a 70+ year career, Rita Moreno defied both her humble upbringing and relentless racism to become a celebrated and beloved actor, one of the rare EGOT (Emmy, Grammy, Oscar, Tony) Award Winners of our time. **100% FRESH**

ROADRUNNER: A FILM ABOUT ANTHONY BOURDAIN

It’s not where you go. It’s what you leave behind. Chef, writer, adventurer, provocateur: Anthony Bourdain lived his life unabashedly. From Academy Award®-winning filmmaker Morgan Neville (*20 Feet From Stardom, Won’t You Be My Neighbor?*), this look at Bourdain reverberates with his presence, in his own voice and in the way he indelibly impacted the world around him. **100% FRESH**

SUMMER OF SOUL

The Harlem Cultural Festival took place the same summer as the famed Woodstock festival, and boasted an attendance on par with that concert 100 miles away. The 40 hours of never-seen-before footage has remained in storage for the past 50 years, keeping this incredible event in America’s history lost - until now. It features performances by artists including *Stevie Wonder, Sly and The Family Stone, Nina Simone, B.B. King, the Staple Singers, the 5th Dimension, David Ruffin, Mahalia Jackson, Ray Barretto and Gladys Knight and the Pips.*
