## THE FABELMANS

151 min | Pg-13 | Drama

Growing up in post-World War II era Arizona, young Sammy Fabelman aspires to become a filmmaker as he reaches adolescence, but soon discovers a shattering family secret and explores how the power of films can help him see the truth. Part memoir, part ode to the power of the movies, The Fabelmans finds Steven Spielberg digging at the family roots that helped make him a beloved filmmaker -- and proves he hasn't lost his magic touch.

## HOLIDAY CONCERT& MOVIE DEC 10

### St. Helena Children's Chorus with "My Father's Dragon"

98 min | G | Animated Film

Join us for a super fun, magic day of Holiday merriment at Cameo with our annual Holiday Concert, featuring the St. Helena Children's Chorus, under the direction of Craig Bond. There will be our famous hot chocolate and holiday cookies to savor with a holiday family film, "My Father's Dragon." Concert tickets are \$5 and the movie and treats are compliments of the Cameo Cinema Foundation. Doors open 1:00 pm

## SHE SAID

129 min | R | Drama

She Said is based on Jodi Kantor and Megan Twohey's book of the same name. The book and the film tell the story of how they exposed the accusations of Harvey Weinstein's decades of sexual misconduct and abuse in Hollywood. The women worked for the New York Times at the time as investigative reporters.

Masks are encouraged but not required at the Cameo Cinema. Current guidelines recommend you consider the Community Level of COVID-19 and your personal level of risk when deciding on whether or not to wear a mask for indoor events.

## SCIENCE ON SCREEN GOOD NIGHT OPPI

WONDERFEST  
The Big Area Beacon of Science

NASA'S James Webb Space Telescope:

A new way to see the universe. **Q&A with UC Berkeley's Dr. Alex Filippenko, Astrophysicist**

95 mins | G | Documentary **SUN. DEC. 4 1:00p**

A Science on Screen presentation, **Good Night Oppy** is the inspirational true story that follows Opportunity, the veteran interplanetary Mars Exploration Rover, affectionately dubbed Oppy by her creators and scientists at NASA. Oppy was originally expected to live for only 90 days but ultimately explored Mars for nearly 15 years. The film follows Oppy's groundbreaking journey on Mars and the remarkable bond forged between a robot and her humans millions of miles away.

## TÁR

157 min | R | Drama

From writer-producer-director Todd Field comes TÁR, starring Cate Blanchett as Lydia Tár, the groundbreaking conductor of a major German Orchestra. We meet Tár at the height of her career, as she's preparing both a book launch and a much-anticipated live performance of Mahler's Fifth Symphony. Over the ensuing weeks, her life unravels in a singularly modern way. The result is a searing examination of power and its impact and durability in today's society.
