Joseph Paskov is a Principal on BGO's U.S. Investments Team. Joseph is responsible for the sourcing and execution of new investment opportunities on behalf of all BGO clients, and has closed on over $2 billion of investment activity throughout his tenure at the Firm. Joseph leads the Firm's SFR / BTR strategy in the U.S., co-leads the Firm's distressed credit and non-performing loan strategy in the U.S., and is also responsible for the Firm's investment activity across the Southeast. Joseph has been with BGO since 2016 and has over 12 years of experience in the real estate industry. Joseph also serves as a guest lecturer for the University of Wisconsin Department of Real Estate and Urban Land Economics. Joseph is a Certified Public Accountant. Joseph graduated from the University of Wisconsin with a Bachelor's and Master's degree in Accountancy, was an academic scholarship recipient, recipient of the Most Outstanding Teaching award, and a member of the Dean's List.

Thanks
