

Jasper Wu, CFA

Vice President

Jasper holds expertise in every aspect of the new development lifecycle including acquisition, zoning, budgeting, estimating, financing, environmental, construction, legal, and sales. He holds certifications as a Chartered Financial Analyst (CFA), Construction Superintendent, Site Safety Supervisor (SST), and General Contractor.

Prior to joining ZD Jasper, Jasper worked as a technology consultant for Ernst & Young in NYC, specializing in Robotics Process Automation (RPA). He also worked at the National Basketball Association (NBA) Basketball Analytics group, analyzing rule changes and referee integrity.

Jasper graduated with a BA in Information Science from Cornell University, and MBA from Columbia Business School.
