

Health Insurance Open Enrollment Begins in PA

What is open enrollment?

This is the yearly period when you can buy health insurance. If you don't enroll during this time, you won't be able to sign up until the next one, except in limited instances called special enrollment periods. Pennie's Open Enrollment Period runs yearly from **November 1st to January 15th**. During this window, you can secure 2023 coverage with a January 1st or February 1st effective date.

How to enroll:

Compare plans and get a quote.

Answer three simple questions to see your quote and then filter plan options for your needs.

Apply for coverage

Pennie tells you exactly what you need like household info, pay stubs, and more.

Pay your first month's premium

This is called your binder payment. Coverage cannot begin until this is paid before the policy's effective date. Good news - many plans allow you to pay online.

You're covered!

Enjoy the peace of mind that comes with knowing you and your family have health insurance. Start using your coverage to get the care you need.

Gather the following before you start enrollment:

- Photo ID(s) (driver's license, passport or other option proving your identity)
- Social security number(s)
- Last 4 weeks of pay stubs
- Immigration documents, if applicable
- Most recent tax return(s)
