

“God Things”

As the Body of Christ there are many things that can call for our attention, some of which are good and profitable. That said, there are specific things that should always be in our prayers, "God things" of eternal value. When we pray in this way, we know we pray according to His will.

Pray for:

- **A Prayer Covering for Families** - Men/Women/Children. Protect marriages. Destruction of idols. Purity. Jesus would rule/control what happens in each home.
Prayer Reading: Deuteronomy 6:4-9
- **Small Groups** - That our facilitators/leaders would grow in character, courage and competence. That the love of God would flow from member to member. That groups would grow in maturity and in number.
Prayer Reading: I Peter 4:7-11
- **America** - That the spirits of Pride and Deception would be revealed and bound. That the spirits of Humility and Truth would be loosed. We would return to "In God We Trust."
Prayer Reading: I Timothy 2:1-4
- **Laborers** - That God would send laborers into the harvest field. That intercessors would arise, bind together, and tear down walls and strongholds. For boldness. A passion to serve. Great love loosed.
Prayer Reading: Luke 10:1-3
