

Prayer for the UPCI General Conference & All Conferences

The UPCI General Conference and other conferences convene across our fellowship annually, and it is important that we pray and fast for such events. Many of these meetings generally have a focus both on leadership and laity, and usually encompass all age levels. Emphasis is placed on Church growth, revival, and harvest as we reach out to souls. Pray for the success of every conference and for the will of God to be done!

Pray:

- for our general superintendent and UPCI officials, district superintendents, district boards, and district officials. Pray that God will continue to equip and empower them to fulfill the challenges of ministry expectations.
- for all UPCI leaders, department directors, committee chairmen, labourers, volunteers, and others involved in ministry work. Pray for all platform participants, musicians, etc.
- that God would bless each locality financially. Pray for God's divine provisions and blessings to rest upon all nations, regions, districts, and areas.
- for God's direction and guidance in all business meetings, services, and special events. Pray Spirit-led prayers and for every aspect of the schedule for each conference.
- for all speakers and everyone involved in the scheduled agenda for every event. Intercede that God would powerfully anoint them to declare His Word.
- that many souls will experience salvation and/or renewal. Pray that many be transformed by the power of God. Petition to God for healing, miracles, signs, and wonders to occur.
- for a glorious presence and great outpouring of God's Spirit, and for everyone to be greatly ministered to.
- that the glorious fire and power of God would fall and that greater restoration, revival, and harvest would manifest continually!
