The War of All Ages: PRAYER

With the seriousness of the battle that we are facing, it seems only right that we as warriors make sure we are following all the strategic plans of war according to the leading of the Lord Jesus Christ. We need precise and exact directions in order to accomplish the will of God. We do not have time or energy left to allow ourselves to shoot with a scattergun. We need to release every prayer straight as an arrow so it will be aimed precisely at the enemies' tactics.

Peter Wagner's book said that in the Persian Gulf War, Saddam Hussein would shoot Scud missiles in the general direction of his enemy and watch CNN to see where they hit. On the other hand, the allies counterattacked with smart bombs aiming precisely at their target. It is time that God's people begin praying strategic prayers that act as smart bombs exploding every tactic of the enemy. The church is being challenged as we enter this season of spiritual warfare. Let's pray and believe the following Scriptures.

"And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask any thing in my name, I will do it" (John 14:13–14).

"For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them" (Mark 11:23–24).

Pray:

- Let's pray that we will realize Heaven is standing ready at our request to advance kingdom enterprise.
- Let's pray that our days will be filled with dynamic attacks on the enemies' territory, freeing souls from the kingdom of darkness.
- Let's pray God will direct our faith so we will believe He will do whatsoever we ask Him.
- Let's pray we will lock into His awesome practice of warfare, praying until something happens.
