### **Taking care of your RYC Concert Attire**

No eating while in your concert attire. Ever.

Concert dresses: be careful of the extra-long hem inside the concert dresses.

Do not wear shoes when putting the dress on and off.

Pull the dress gently on and off to keep the hem from coming loose.

This hem is so that the dress can be lengthened as you grow.

Hang up your concert attire when not in use and consider keeping it in a garment bag or plastic covering to keep the material protected and clean.

Wash **dresses** on delicate and hang dry (dresses). Wash **shirts** in cold water and dry on low heat. Iron shirts before all performances. **Polos** may be washed on regular cycle.

No laying down on the floor while in your concert attire.

Keep your concert attire, including ties, black dress shoes, black socks, black belts, etc., in a safe place so that you know where it is for the next performance.
