Dear Supporter of the Carolinas MBCEA,

The Carolinas Board is excited for the upcoming Annual Summer Meeting and we hope you can attend July 14th-17th, 2022 at the Sonesta Resort Hilton Head Island, SC. We look forward to seeing you there!

I would like to take this opportunity to thank all of you for the past support you have provided to the MBCEA on both a national level as well as our local chapter. As the President of the Carolinas Chapter, I understand the stress of these commitments and appreciate your support through the years. I hope that the Carolinas MBCEA can count on your continued support this year and that the organization can count on your continued support in the years to come. I look forward to the chance to meet with you about future opportunities and partnerships, as well as ideas to continue the growth of our organization.

With your continuing support, we will be able to proceed in assembling the best network on the East Coast of Manufacturers, General Contractors, Erectors and Suppliers. As many of you know that have served on this board, the efforts that each member puts forth is strictly on a volunteer basis. Each one of us was recruited by someone within the MBCEA, and charged with the mission to leave this organization better than when we joined. We have grown in numbers despite the economy, and look forward to continuing that growth.

The time and effort it takes to produce quality outings for the spring and fall chapter meetings as well as our summer retreat at Hilton Head is tremendous. The board and it's advisors are always trying to satisfy the current needs, as well as the future needs of our membership and this industry. Whether it be through training on the latest Insulation Code Changes or teaching project managers to develop relationships with clients, it cannot be done without your support.

Last year because of your support as a sponsor, the Carolinas Chapter was able to award several scholarships at our Summer Meeting in Hilton Head, SC to students attending college this year. I would like to ask that each of you consider the sponsorship of the MBCEA-Carolinas through donations. I've attached a pledge card for the Summer Meeting for 2022 and ask that you please consider supporting the Carolinas-MBCEA.

I sincerely hope that we can count on your continued support and look forward to seeing you at the upcoming Summer Meeting at Hilton Head.

Sincerely yours,

*Don Moore*
