

A Successful 35th Annual Golf Tournament!

The MBCEA New England Chapter would like to extend a sincere thank-you to all of our sponsors, golfers, and supporters who joined us for the **35th Annual Golf Tournament** on July 23, 2026, at Waverly Oaks Golf Club in Plymouth, Massachusetts!

We had a fantastic turnout, with more than 120 golfers enjoying a great day on the course and beautiful weather. Congratulations to **D's Welding** for taking home the tournament win!

We would also like to thank everyone who joined us the evening before for our Member Meet & Greet at Vitamin Sea Brewing in downtown Plymouth. The event was another great success, providing an excellent opportunity for members and industry colleagues to connect, catch up, and enjoy time together outside of the jobsite.

Thank you to everyone who helped make both events such a success. We appreciate your continued support of the MBCEA New England Chapter and look forward to seeing everyone again next year!

Investing in the Next Generation: Scholarship Recipients

One of the highlights of this year's tournament was the opportunity to award **two \$1,500 scholarships** to two very deserving students, Lani Ching and Peter Nguyen.

Congratulations to Lani and Peter! We are proud to support these students as they continue their educational journeys and work toward their future goals.

A special thank-you goes out to our sponsors and members whose continued generosity helps make these scholarships possible. Supporting education and investing in the next generation are important parts of our chapter's commitment to the future.

Be sure to check out the attached photos from this year's tournament/scholarship presentations below!
