LETTER FROM THE PRESIDENT

Dear TAPL Members,

Greetings everyone. I hope you and your loved ones are doing well. Many thanks to those of you who braved the elements for our annual "Spring" golf tournament at Indian Springs on July 13th! The rain and lightning gave way just in time to tee off. While hotter than usual, everyone involved had a great time. Sending a big thank you to Kristina Barnes and her committee for putting on a great tournament! This was no easy task in 2020. Thank you, Kristina.

Our next event will be our September dinner meeting on Monday the 14th at the Summit Club, with our special guest, Governor Kevin Stitt! We are grateful that the Governor was able to spare some time to come speak to us. Thank you to Hamel Reinmiller for making it happen! Please be on the lookout for an email opening registration for this event. For those who have not seen the newly renovated 30th floor at the Summit, it looks awesome! A lot more space and more access to the great views. A few board members met with the Summit to get a glimpse of the new space and to ensure we have the ability to socially distance as much as possible. Really looking forward to seeing everyone there.

Please note our new events calendar in this newsletter. One of the key changes is that our skeet shoot will be in February of this year. Hoping for some decent weather to beat the heat. Thank you, Rob Sher, for taking the lead and working on the 2020-2021 calendar.

We've got some great events and speakers lined up this year and there are still sponsorship opportunities available. This year will be a little different for comprehensive sponsors. The board has put a lot of time into rethinking comprehensive sponsorship and the benefits that come with it. Please be on the lookout for our new comprehensive sponsorship packet that details all of the benefits that come with each package. A HUGE thank you to Alisha Stacy for spearheading the effort to put the comprehensive sponsor packet together. Many hours spent brainstorming, soliciting feedback and putting the finishing touches on it. Thank you, Alisha. Please contact Kristina Barnes for additional information in regards to comprehensive sponsorship opportunities.

Thank you to everyone that has renewed your membership thus far! We really appreciate your support, especially during such a challenging time. The board is working hard to ensure our members get the most out of your membership. Hope to see you at our upcoming events!

Sincerely,

Michael D. Schooley, CPL
TAPL President

Dinner at the Summit Club with Governor Kevin Stitt

Governor J. Kevin Stitt Bio

J. Kevin Stitt is the 28th governor of Oklahoma. Governor Stitt is leading the state with a vision to become Top Ten in critical categories, from government accountability to job growth, infrastructure, education and more.

Governor Stitt is an entrepreneur and businessman who founded Gateway in Tulsa, Oklahoma, in 2000. Starting Gateway with only \$1,000 and a computer, he grew his business into one of the top 20 mortgage lenders and servicers in the nation, operating in more than 40 states and servicing more than \$20 billion in residential mortgages. Stitt led Gateway through a merger with Farmers Exchange Bank in 2018 and formed Gateway First Bank, which is headquartered in Jenks, Oklahoma, and operates more than 160 mortgage centers across the country and employs more than 1,400 people.

Oklahomans spoke in record numbers that they wanted Stitt to use his business acumen to transform the state. In 2018, he received more votes than any gubernatorial candidate in state history in his first bid for elected office of any kind.

Since taking office, he worked together with the Legislature to produce historic reform in five of the largest state agencies, allowing him to identify and recruit the best talent to serve in critical leadership positions.

More than half of the governor's cabinet is made of experts who came from the private sector in Oklahoma, including the first chief operating officer in state history.

Governor Stitt also led the state to build its largest savings account in history, which proved to be prophetic in the face of a significant decline in the oil and gas market.

He is a fourth-generation Oklahoman who graduated from Norman High School and is an alumnus of Oklahoma State University, where he received an accounting degree in 1996. Stitt and his wife, Sarah, have six children and have been married for 22 years.

The following notes are only a portion of the meeting. Should any member like to discuss more in detail, then please feel free reach out to me.

DIRECTOR'S REPORT (CONTINUED)

Committee and Other Items to Note

- **DOWNLOAD the new mobile app!** Similar information that is on our website. Very handy!

- The website has federal and state bill tracking information. This is updated monthly – very good information.
- Due to the increase in Landmen working in the alternative energy world, AAPL's Executive Committee and Board of Directors wanted to make sure that we are allowing those Landmen to work in this arena and maintain their AAPL membership. After much deliberation, the Board of Directors approved a change in the Landwork definition to include these individuals. *The AAPL membership will need to vote and approve this change at the Annual Meeting.* The new definition will be published to the membership prior to the meeting. **The AAPL membership voted to approve this change.**
- Here is your new 2020-2021 AAPL Executive Committee.

President:	Lester A. Zitkus, CPL
1st Vice President:	Jim Devlin, CPL
2 nd Vice President:	Nancy McCaskell, CPL
3 rd Vice President:	Marc S. Tate, CPL
Treasurer:	Kyle Reynolds, CPL
Secretary:	Andrew Cooper, CPL
- **CONTRACT CENTER: Keep an eye out for this!** More and more documents/contracts are being made available through the AAPL website and downloadable from Contract Center. A second round of forms has been approved and funded for preparation – NPRI Ratification and Pooling. Production Sharing Agreements, Participation Agreements, and Purchase and Sale Agreements are in the works! *Membership has its benefits!*
- Contract Center's price has been decreased to \$250 per year (originally \$375) for members.
- Professional Development Assistance: Did you know? AAPL will provide up to \$300 per educational event, twice a year per member in reimbursement. There is no "need" base requirement for the reimbursement and any active member in good standing can apply.
- The Executive Committee has decided to terminate the Marketing Committee effective June 30, 2020 due to the AAPL staff handling most of these duties at this time. **This committee has been officially terminated.**
- Need Ethics Credits? AAPL has the new Ethics videos online. There are 16 new videos with a low cost of \$25 per video.
- The Board of Directors approved the proposed 2020-2021 budget. The membership will vote on the budget at the Annual meeting in June. **AAPL membership approved the budget.**

Next board meeting will be in Acme, Michigan – September 11-13, 2020 (or virtual).

These are challenging times for all of us. Be careful and stay safe! Feel free to reach out to me at arobinson@olifantenergy.com with any comments or questions. It is a pleasure to serve as your AAPL representative on the AAPL Board.

Best regards,
