

# **CONFESSiON OF SIN**

---

## *Covenant Book of Worship*

**We are sorry, God; hear our repentance for our wayward handling of life.**

**We have squandered time, hoarded money, avoided challenges, and used others.**

**We have borne waiting grievously, illness stubbornly, trials reluctantly, and responsibility half-heartedly.**

**We have doubted Your care, mistrusted Your providence, distorted Your power, and ignored Your love.**

**We have neglected discipleship, injured our relationships, sabotaged our fellowship, and underrated Your forgiveness.**

**Forgive us now, we pray, and let us try again, sensitive to Your Spirit, and committed to Your will. Amen.**
