CAMP DESCRIPTION

Boys & Girls Clubs of Contra Costa DIY Summer Camp in Box offers a little bit of everything you can think of when you think of "CAMP". Weekly activities include life skills and daily hacks, nature and outdoor explorations, arts and crafts, and a variety of educational components. We work hard to offer your child the widest range of activities this summer.

IN EACH WEEK OF SUMMER

CAMP:

- Reading & Storytelling
- A Science, Technology, Engineering or Math Project
- Fine Arts Exposure & Skill Building
- Healthy Nutrition Education and Activities
- Mental Health Awareness & Life Skills

WEEKLY THEMES

week one: June 15 - 19

COOL CLUB CAMPOUT

During the first week of summer camp, we will be offering multiple programs that can bring the camping experience to your backyard or living room while preparing our campers to be ready for a summer full of adventure!

week two: June 22 - 26

EARTH

For our second week of camp, we will be focusing on our programs how to live sustainably. Campers will be learning how to repurpose old materials, grow their own food, and more!

week three: June 30 - July 3

STARS & STRIPES

Our campers will build a sense of community as we create and conduct a drive-in theater for all of our campers to enjoy. Parents are encouraged to join and bring their families!

week four: July 6 - 10

GETTCH'A HEAD IN THE GAME

From basketball to baseball, our campers will learn about many sports and even get to experience sports facility themselves.

week five: July 13 - 17

SPLASH

We will be taking campers under the sea with activities that will expand their minds about the discovered ocean life and the mysterious beyond. The campers will get to see their new found knowledge come to life by getting a tour of Maui!

**SUMMER READING
CHALLENGE!**
(GRAND PRIZE IS A NINTENDO SWITCH)

week six: July 20 - 24

THE PLACES YOU'LL GO

This week we will be focusing in a variety of careers that are options for the campers. Each staff gets to explain what they are going to school for. We will then take the campers on a virtual field trip to experience the behind the scene life.

week seven: July 27 - 31

CRAZY CLUB CUISINE

It is going to be a big week at the Clubs! We will bring cooking to each of our campers. They will get to experience how to make and prepare food as well as learn about different cultures.

week eight: Aug 3 - 7

CAMP OLYMPICS

Campers will put their imagination and leadership skills to work with special programming that will showcase all they have learned.

week nine: Aug 10 -14

WHERE DID JASPER GO?

For the final week of camp, the campers will get to participate in an interactive virtual game. They will get to choose their own adventure and see where they end up.
